

34. (Twice amended) The process of claim 1, further comprising  
draining the permeated water vapor a waste fluid from said casing.

REMARKS

In response to this rejection under 35 USC 112, second paragraph, applicants have amended claims 1, 6 and 34 to more distinctly recite the applicants' invention using the comments by the Examiner. Thus the amended claims 1, 6 and 34 addresses the issues raised by the Examiner. No new matter has been introduced and the rejections are requested to be withdrawn.

In light of the above amendments and remarks, reconsideration of this pending application is requested.

Respectfully submitted,
